

## INTEGRATED CHEMISTS OF THE PHILIPPINES Bacolod Chapter

May 8, 2017

**Ms. HAYDEE V. RIVERA**

Corporate Secretary  
PHILSUTECH  
Bacolod City

Dear Madam,

The Integrated Chemists of the Philippines (ICP)-Bacolod Chapter will be hosting the seminar on **“Compliance to R.A. 10657: Certificate to Operate for Chemical Laboratories”** on May 19, 2017 from 9:00 to 5:30 p.m at Bacolod Pavillon Hotel, Bacolod City. The Professional Regulation Commission’s Board of Chemistry and ICP-National Team will conduct the lectures on the **requirements to operate for Chemical Laboratories, qualifications and skills of professionals/signatory of Certificate of Analysis, Continuing Professional Development and Renewal of License for Professionals**, laboratory safety and safety manuals, laboratory facilities, equipment and accommodation.

Since this seminar is vital to regulatory compliance, we expect between 150-200 participants from Chemical Laboratories in Regions 6 and the Negros Island Region (academe, industries and government agencies). Prior to this event, the Board of Chemistry together with some ICP-National officers will conduct a three day laboratory visit/inspection to majority of the chemical laboratories in Negros Occidental on May 16-18, 2017 to ensure a holistic understanding of the new Chemistry Law and compliance.

In consonance with this, we would like to invite your Managing Heads, Human Resources Managers, key technical staff, chemists and analysts operating your Chemical Laboratory. Managing Heads or Supervisors are encourage to attend for they are important in realizing the implementation and compliance to R.A. 10657. The seminar Fee is P 1,500.00 inclusive of two snacks, lunch and a kit per participant. Please feel free to call us 09209084620 or 09227322980 for more information.

Thank you.

Very truly yours,

**ROSELYN C. USERO**

President  
ICP-Bacolod Chapter
